

The Silhouette Competition is scored in the same way as the FT Competition. Points are awarded for each silhouette hit. This event can be shot as many times as you wish and your average cumulative score as a % of 20 will count towards your overall position in this event.

1.

Target Ranges are - Chickens 20 yards, Pigs 30 yards, Turkeys 36 yards and Rams 45 yards.

2.

All Shots to be taken STANDING.

3.

Standard underarm butt hooks are permitted. No gloves, slings or other means of support are allowed. The butt of the gun to remain outside all clothing at all times.

4.

Only shoot at the targets in your allocated lane.

5.

Targets must be shot in order. LEFT to RIGHT (1)_A(2)_A(3)_A(4)_A(5)

6.

Any targets shot out of order do not count. i.e. if no.2 target is hit instead of no.1 then you lose no.1 as you missed it and you cannot shoot no.2 as it is already down, so you must go on to target no.3. If target no.1 is hit instead of no.2 then you just lose no.2.

7.

In the event of two or more targets falling from 1 shot - tell your marshal and then on completing the rest of the bank either shoot at designated targets if sufficient remain standing or your marshal will reset the bank so that you can complete your five shots.

8.

You have a maximum time of two and a half minutes (2.5) to complete each bank with the time starting when you first put your eye to the sight.

9.

After shooting the bank in front of you the required number of times i.e. once, twice, etc. depending on the total number of shots in the competition, you will then proceed to the next bank on your right.

Any disagreements should be referred to the Range Marshal whose decision is final.

IF YOU ARE UNSURE OF THE RULES, PLEASE SPEAK TO THE RANGE MARSHAL OR THE MARSHAL'S ASSISTANT BEFORE PROCEEDING TO THE FIRING LINE
